Dear Mr. Crotty:

Subject: Jamco America Application for Supplemental Type Certificate (STC)
Organization Designation Authorization (ODA) to include Function
Code 11180

We received your application for Federal Aviation Administration (FAA) STC ODA Function Code 11180, Perform Review and Acceptance of Instructions for Continued Airworthiness (ICA), which was submitted by Jamco Letter JODA-14-054R3, dated September 18, 2014. Your request was partly based on a review of the temporary revision to the Jamco America procedures manual and operating procedures that was submitted with your letter.

We have completed our review and are pleased find that your proposal meets the requirements of Title 14 Code of Federal Regulations section 183.53 and approve the data effective September 18, 2014.

The FAA reserves the right to require changes, additions, or clarifications that may become necessary as a result of subsequent inspections, supervision and/or evaluations.

This notification should remain on file as evidence of FAA review and approval of your procedures manual and operating procedures.
